7. [redacted] Talked to Stephen Jones, in the office of Representative Paul Findley (R., Ill.), in response to his earlier request that we get in touch. Jones has had regular contact with the TASS representative in Washington and Congressman Findley is thinking of putting the TASS news ticker in his office. The TASS representative suggested they would be happy to provide the same service to the Agency but they don't know whom to contact. Jones simply wanted to pass this offer along.

8. [redacted] Met with Mr. Philip W. Kelleher, Counsel, House Armed Services Committee, and discussed with him the Allen-Scott report which appeared in the NORTHERN VIRGINIA SUN, 27 July. I advised Mr. Kelleher, for the Chairman, that there is no substance to the allegation that the Soviets had knocked down British and American satellites. Mr. Kelleher indicated he had no knowledge of the alleged secret committee study which was reported to contain this information concerning the incidents.
